If your business does not qualify as an exempt generator, it will not be able to use the program for oil-based paint, but it can still use the program for latex products.

Paint manufacturers created PaintCare to provide convenient places to recycle leftover paint, such as paint retail stores and paint drop-off events. To learn more or find a year-round PaintCare drop-off site near you, visit **www.paintcare.org** or call **(855) PAINT09**.
