CITY OF CHULA VISTA	APPLICANT -- PLEASE DO NOT WRITE IN THIS SECTION # UTILITY PERMIT ## CITY OF CHULA VISTA ## DEPARTMENT OF DEVELOPMENT SERVICES	3. Permit Fee 4. Receipt No.

A. All work must be in accordance with the Utility Permit Appendix, San Diego Area Regional Standard Drawings, Chula Vista Design and Construction Standards, Standard Specifications for Public Works Construction and all supplements and amendments thereto. Barricades and traffic control devices and measures shall conform to California Manual on Uniform Traffic Control Devices and must be approved by the City Engineer. ***Work must be completed within 90 days of approval of this permit, unless otherwise specified in Section 19, below.***

B. Contractor must contact the City's Traffic Signal Maintenance Section at (619) 397-6163 for mark-out of traffic signal and street light conduits and UNDERGROUND SERVICE ALERT (1-800-422-4133) for mark-out of underground utilities at least forty-right (48) hours in advance of any work under this Permit. Contractor is responsible for protecting all utilities, conduit, wiring, and traffic signal loops within and adjacent to the project/area of work. Traffic signal loops damaged by construction must be restored within three (3) working days of damage unless a temporary video detection system is provided by the Contractor.

C. Contractor shall give forty-eight (48) hours notice prior to commencement of work / request for initial inspection, and twenty-four (24) hours on all subsequent calls for inspection. Email all your requests to constructioninspection@chulavistaca.gov

D. Contractor shall identify, protect and preserve all survey monuments. Surveying shall be performed by a Licensed Land Surveyor licensed in the State of California or a Registered Professional Civil Engineer authorized to practice Land Surveying registered in the State of California and shall conform to the requirements of the Land Surveyor's Act.

E. Temporary storage of material within the public right-of-way shall be in accordance with Section 12.12.090 of the City's Municipal Code.

F. Any work performed without the benefit of City inspection shall be subject to rejection, removal, and replacement at Contractor's expense.

G. Permittee should be aware that this permit may create a possessory interest in the property, in favor of the permittee. If such a possessory interest is created, it may be subject to property taxation for which the permittee will be responsible.
