Development Services Department

City Standard Accessory Dwelling Unit – Concurrent Processing Request

I hereby request that the City review the enclosed application for a new City Standard ADU Plan concurrently with my site-specific building permit plan check.

I understand that approval of my City Standard Plan does not constitute an endorsement or recommendation of my design or my business services by the City of Chula Vista.

I understand that, should my design obtain approval as a City Standard ADU Plan, a valid building permit is still required to construct my ADU on other lots within the City of Chula Vista.

I understand that all City Standard ADU Plans are listed publicly on the City of Chula Vista's webpage. I give the City of Chula Vista permission to share my contact information (name, email, phone, and webpage) and the front elevation and floor plan of the approved City Standard ADU Plan on the webpage to represent these plans to the public.
