NARRATIVE:

On 4-1-21, I was in full CVPD uniform driving a marked CVPD patrol vehicle in the City of Chula Vista, County of San Diego. At approximately 0015 hours, Off. Marquez, Rojo-Rivas and I were conducting an extra patrol at the intersection of Proctor Valley Road and Northwoods Drive. We were parked on the east curb line facing northbound on Northwoods Drive just south of Proctor Valley Road. A short moment later I heard a car heading Eastbound on Proctor Valley approaching the stop sign. I observed a Blue PT Cruiser vehicle fail to stop at the stop sign and continue Eastbound through the intersection at approximately 25 MPH, in violation of CVC 22450- stop sign violation. As I was walking to get back in my car, I saw the vehicle run the stop sign again. At this time, they were travelling Westbound and made a Southbound turn onto Northwoods Drive. I entered my vehicle and drove to the stop sign. I made a U-turn and got behind the PT Cruiser. I used my Police Radio to give dispatch the license plate. The vehicle had a California plate of [redacted] The vehicle came back registered to a Misty Steele. It was later determined that STEELE was the driver of the vehicle. She was later identified via prior booking photos as Misty Steele. STEELE had her emergency flashers on and pulled over to the West curb line of Northwoods Drive. I activated my overhead emergency lights. STEELE began driving away from me at a very slow rate of speed. She continued Southbound on Northwoods Drive and made an Eastbound turn onto Woods Drive. I notified CVPD dispatch that I had a slow failure to yield. CVPD dispatch were to Emergency Traffic. I then activated my police sirens. STEELE continued to drive away at approximately 15 MPH. At this point a pursuit was initiated. Off. Marquez was behind me and began calling the pursuit. I stayed in the #1 position behind STEELE.

STEELE continued Woods Drive for approximately 1 mile before making a Westbound turn onto Sutter Ridge Way. She ran the stop sign while making the turn again in violation of CVC 22450- stop sign violation . She continued Sutter Ridge Way, and ran another stop sign while making a Northbound turn onto Sutter Ridge Drive. Through this time in the pursuit, STEEL'S speeds varied from 5 MPH to 25MPH. There was no other traffic or pedestrians on the roadway. Every time she approached stop signs in the neighborhood, she ran them. She ran the stop signs at Woods Drive and Sutter Ridge Way. She ran the stop sign at Sutter Ridge Way and Sutter Ridge Drive. She ran the stop sign at Sutter Ridge Drive and Woods Drive. STEELE continued around the same path of streets. She continued this path for approximately 20 minutes. Every time she approached stop signs in the neighborhood, she ran them. While she was driving, she was swerving around the road across both lanes. K9 Officer Salvador eventually came into the pursuit and took over the #1 position. I fell back into the #2 position and began calling the pursuit.

While STEELE was driving Eastbound on Woods Drive, she stopped in the intersection of Sutter Ridge Way. Officers attempted a High-Risk Vehicle stop (Hot Stop). As officers exited their vehicles, STEELE took off again.

STEELE went northbound on Sutter Ridge Way at 30 miles per hour. She made an eastbound turn onto Shenandoah. At this point, Officer Lawrence was able to get on the phone with STEELE. STEELE claimed that she was not driving the vehicle, but Officer Lawrence could hear the sirens in the background. As STEELE was driving southbound on Shenandoah, she approached 40 miles an hour and failed to stop at the stop sign. They approached a cul de-sac, and she made a U turn and went back northbound on Shenandoah. She again failed to stop at that stop sign. STEELE made a northbound turn onto Sutter Ridge and failed to stop at Woods and Sutter Ridge. STEELE made a northbound turn onto Woods Drive and reached speeds of 30 miles per hour. Woods then failed to stop at the stop sign at Woods and Northwoods Drive. At this point, K9 Officer Salvador request we check with border patrol to see if they had any spike strips. STEELE reached speeds of approximately 30 miles per hour, driving northbound on Northwoods, approaching Proctor Valley. STEELE ran the stop sign at Northwoods and Proctor Valley in the northbound direction, and the street now turned into Agua Vista. STEELE made a U turn and went back southbound on Agua Vista. STEELE ran the stop sign at Proctor Valley and Agua Vista while making a westbound turn onto Proctor Valley. STEELE stayed on Proctor Valley and approached Coastal Hills, speeds ranging from 10 to 25 miles per hour. STEELE ran the stop sign at Coastal Hills and Proctor Valley. While driving westbound on Proctor Valley and approaching Duncan Hills, STEELE's speeds reached approximately 55 miles per hour. While STEELE was driving, her speeds varied from 10 to 55 miles per hour. STEELE continued westbound on Proctor Valley and ran the red light at Proctor Valley and Rocking Horse in violation of CVC 21453(a)- red light violation. STEELE was continued westbound on Proctor Valley, approaching the 125. Proctor Valley then turned into East H Street right before the 125.

STEELE entered the 125 Freeway on the northbound ramps at approximately 50 miles per hour. While on the freeway, STEELE's speeds varied from 10 miles per hour to 50 miles per hour. STEELE

continued the 125 until she approached the 54 Freeway. At this point, officers requested that ASTREA respond. At one point, while on the 125 Freeway, STEELE stopped her car completely on the freeway in violation of CVC 22400(a)- slowing or stopping on California roadways as to impede normal flow of traffic. She then took off again at approximately 10 miles per hour. While approaching the 54 Freeway, her speeds were at 25 miles per hour. STEELE entered the 54 on the eastbound ramps at approximately 15 miles per hour. There was no traffic on the freeway. At approximately 45 miles per hour, STEELE exited on Jamacha Boulevard in Spring Valley. Jamacha Boulevard then turned into Paradise Valley Road, and STEELE made a westbound turn onto Paradise Valley Road. STEELE continued Paradise Valley Road.

At this point, ASTREA took over calling the pursuit, and I stayed in the No. 2 position. While still traveling westbound on Paradise Valley Road, STEELE's speeds varied from 10 to 55 miles per hour. At this point, we were requesting that National City PD check for units with spike strips. Still westbound on Paradise Valley, STEELE made a westbound turn onto South Harbison. While driving on South Harbison, STEELE began opening her door and driving with the door open. STEELE continued South Harbison and ran the stop signs at East 6th and East 2nd. While STEELE was driving, she was throwing multiple items out of her car. From what I could see, it seemed as if she was throwing clothes, tubs, buckets, and water bottles out of her windows. South Harbison then turned into East Division. She drove on East Division and passed Briarwood and passed Paradise Road. She ran through both stop signs. While continuing eastbound on Division, she crossed 58th Street, running that stop sign as well. While still driving eastbound on Division, approaching 61st Street, a San Diego PD sergeant (Sergeant Fitzgerald) was attempting to deploy spike strips. As he threw the spike strips, STEELE accelerated her vehicle from 10 miles an hour to approximately 45 miles per hour in the direction towards Fitzgerald. As STEELE approached Fitzgerald, he had to jump out of the way in order to not be hit by the vehicle. There is video footage from ASTREA clearly showing STEELE accelerate her vehicle right toward Fitzgerald. Off. Salvador was able to contact Sergeant Fitzgerald and get his statement on the incident. Please refer to Off. Salvador's report for further.

STEELE continued eastbound on Division and approached Plaza. As she was driving on Division, her speeds reached approximately 40 miles per hour. Eastbound Division then turned into Plaza, and as she was on Plaza, she made a southbound turn onto Woodman. From Woodman, she made an eastbound turn onto South Woodman, passing Brandywood. STEELE continued South Woodman and made an eastbound turn onto Paradise Valley. STEELE stopped on Paradise Valley just east of South Woodman. STEELE then drove off again. From Paradise Valley, STEELE made a southbound turn onto Briarwood. STEELE began opening her driver's door again, throwing stuff out of the door. From Briarwood, STEELE made a southbound turn onto Alsacia Street. While she was traveling southbound on Alsacia Street, both doors were open. She was traveling a very slow speed, and there was no traffic. STEELE continued westbound on Alsacia, still with both doors open. At one point, she threw a glass bottle out of the vehicle. STEELE made a turn onto Potomac in the [redacted] Both doors were still open, and there was no traffic.

STEELE then made a right-hand turn onto Saipan Drive, throwing items back towards the vehicle behind her. Saipan Street then turned into Alleghany Street. We continued westbound on Alleghany, and as we were approaching Rachael Drive, National City PD deployed their spike strips at the intersection. The spike strips were successful, popping all four tires. STEELE continued to drive westbound on Alleghany on the popped tires. South Harbison then turned into East 16th Street, and we continued westbound. National City PD deployed another successful spike strip at East 16th and Earle. She continued westbound on East 16th Street while her driver-side rear wheel was sparking. We continued East 16th, crossing over the 805 Freeway. We continued East 16th for a short period of time until we made a northbound turn onto National City Boulevard. We continued northbound on National City Boulevard for a short amount of time. As we were still northbound on National City Boulevard, crossing East 6th Street, STEELE lost control of the vehicle and hit a curb and continued driving. STEELE made a Westbound turn onto Osborn and continued Osborn to where it turned into Main Street and passed under the 5 Freeway.

STEELE eventually lost control of her vehicle and she came to a stop due to the vehicle being disabled. As she exited the vehicle, she was walking away from officers while taking her clothes. K9 Officer Salvador deployed his Police Service Dog after giving verbal commands to stop. The Police Service Dog was able to apprehend STEELE. As K9 Off. Salvador went into handcuff STEELE, Off. Marquez and I went hands on and placed STEELE in handcuffs, checking for tightness and double locking for safety. We placed STEELE in the recovery position and immediately called for medics for her injuries. As we waited for medics, STEELE was acting very erratic. She was saying non-sensical statements. She was saying things that were not making any sense.

For the duration of the pursuit, STEELE stopped at 0 stop signs and 0 red lights. She disobeyed numerous traffic violations throughout the pursuit including driving on the freeway to swerving across the center dividing lanes into oncoming lanes. STEELE had no regards for the safety of the public.

Medics and National City Fire Department arrived on scene to render aid to STEELE. STEELE was later transported to [redacted] Emergency Room for medical treatment.

[redacted]

STEELE essentially told me the following:

STEELE told me that she did see my lights and could hear my sirens. When asked why she did not pull over she stated that she thought she was getting ganged up on. She stated she was "In fear for her life."

She said during the pursuit she took all her clothes off and threw the out the window because she got hot and was in fear. STEELE told me she did not want to speak to me anymore. I agreed and stopped asking questions. STEELE had nothing further to add.

[redacted] Due to the extent of the crime, an officer has been with her and will stay with her until she is medically cleared and transported to Las Colinas.

I completed the required documents for incarceration and signed them. They have been left with the officer that will transport to Las Colinas when she is cleared.

At the time of this report, Steele has remained at [redacted] in police custody.

My BWC was activated approximately 15 minutes into the pursuit. The time on my BWC elapsed was 1 hour and 24 minutes. The pursuit itself lasted approximately 1 and a half hours and went for approximately 22 miles.

STEELES vehicle was impounded by Off. Brown and the related paperwork were completed. It was towed by Road One towing for CVC 22651(h)(1)- driver arrested.

OFFICER REPORT.

On 04/01/2021 at approximately 0015 hours, I conducted an extra patrol in the area of Proctor Valley Road and Agua Vista Drive. I observed the four way stop intersection from my parked patrol vehicle on the east curb line of Northwoods Drive just south of the intersection. Officer DeRosier was also with me and his patrol vehicle was parked directly in front of mine. I had a clear and unobstructed view of the east bound lanes of Proctor Valley Road and their intersection with Agua Vista Drive and Northwoods Drive. I had a clear and unobstructed view of the stop sign the associated limit line.

I observed a dark colored PT Cruiser travel eastbound on Proctor Valley Road approach Agua Vista Drive and Northwoods Drive. The vehicle did not stop at the stop sign and continued eastbound through the intersection at approximately thirty-five miles per hour. Officer Derosier advised me he observed the same traffic violation and said he would conduct a traffic stop on the vehicle. Moments later, the vehicle travelled westbound back into the intersection without stopping at the stop sign and travelled south bound onto Northwoods Drive. Officer DeRosier followed the vehicle and was behind it at the intersection of Northwoods Drive and Woods Drive. Officer DeRosier activated his overhead red and blue lights and audible siren. I activated my overhead red and blue lights and audible siren. The vehicle did not stop.

Officer Derosier communicated on his Police radio the vehicle failed to yield. Officer DeRosier directed me to communicate the pursuit details on my Police Radio as we pursued the vehicle. I activated my body worn camera. I described the vehicle as an aqua colored PT Cruiser. The vehicle traveled at twenty miles per hour on Woods Drive approaching Sutter Ridge Way with no traffic. The vehicle traveled at eighteen miles per hour southbound on Woods Drive and approached Gate Two Place. The vehicle failed to stop at the stop sign as it made a westbound turn onto Sutter Ridge Way at twelve miles per hour. At this time Officer DeRosier mentioned on his Police Radio the vehicle had failed to stop at a total of three stops signs.

I requested support from dispatch for a Police Helicopter. The vehicle traveled at ten miles per hour, failed to stop at the stop sign as it turned southbound onto Woods Drive. I advised the initial traffic stop was initiated because the vehicle failed to stop at a stop sign. The vehicle traveled at nineteen miles per hour and approached Gate Two Place. The vehicle failed to stop at the stop sign as it made a west bound turn onto Sutter Ridge Way. The vehicle traveled at fifteen miles per hour and failed to stop at the stop sign as it made a northbound turn onto Sutter Ridge Drive. The vehicle traveled at twenty miles per hour north bound on Sutter Ridge Drive.

The vehicle failed to stop at the stop sign as it turned southbound onto Woods Drive. The vehicle traveled at fourteen miles per hour and failed to stop at the stop sign as it made a west bound turn onto Sutter Ridge Way. The vehicle weaved left and right as it traveled north bound on Sutter Ridge Way.

The vehicle traveled at twenty-two miles per hour as it failed to stop at a stop sign as it turned southbound onto Woods Drive. The vehicle failed to stop at the stop sign as it turned north bound onto Sutter Ridge Way. The vehicle traveled thirty miles per hour as it continued north bound on Sutter Ridge Way. The vehicle failed to stop at the stop sign as it turned south bound onto Woods Drive. The vehicle travelled fifteen miles per hour as it approached Woods Drive and Sutter Ridge Way. The vehicle failed to stop at the stop sign as it turned north bound onto Sutter Ridge Way.

The vehicle failed to stop at the stop sign as it turned south bound on Woods. The vehicle traveled twenty-five miles per hour south bound on Woods Drive. The vehicle stopped. Officer DeRosier and I exited our vehicles and initiated a vehicle hot stop. The vehicle traveled again and made a westbound turn onto Sutter Ridge Way. Officer DeRosier and I returned to our vehicles and continued to pursue. The vehicle traveled twenty-two miles per hour and approached Sutter Ridge Drive. The vehicle failed to stop at the stop sign as it turned north bound onto Sutter Ridge Drive. The vehicle failed to stop at the stop sign as it turned southbound onto Woods Drive. The vehicle traveled twenty-five miles per hour.

The vehicle stopped on Woods Drive facing southbound just before Sutter Ridge Way. Officer DeRosier and I exited our vehicles to initiate a vehicle hot stop. The vehicle traveled again and made a westbound turn onto Sutter Ridge Way. Officer DeRosier and I returned to our vehicles and continued to pursue. I observed the vehicle was occupied by one female. K9

Officer Salvador joined the pursuit and positioned himself directly behind the suspect vehicle. Officer DeRosier started to communicate the pursuit details on his police radio.

The pursuit of the vehicle continued for approximately another hour and ten minutes. The pursuit continued through the communities of Spring Valley, San Diego, and National City. At one point while in San Diego, I observed a San Diego Police Officer attempt to deploy spike strips at the suspect vehicle. The deployment of the spike strips was unsuccessful. I observed the San Diego Police Officer make a quick and sudden retreat towards the sidewalk away from the suspect vehicle that was approximately fifteen feet away from him. The Police Helicopter aired on their Police radio the suspect vehicle nearly struck a pedestrian. Officer DeRosier communicated on his Police Radio the pedestrian was a Police Officer. For more details regarding the remainder of the pursuit, see Officer Derosier's report.

At the end of the pursuit, the vehicle came to a stop at [redacted] Main Street in San Diego. The I exited my vehicle and ran towards the suspect vehicle. I observed an adult female individual wearing no clothes, run out from the driver door and into the street. The Chula Vista Police dog was deployed by K9 Officer Salvador. The Police Dog apprehended the suspect. Officer DeRosier and I grabbed onto the rams of the suspect. I grabbed the suspects left arm and placed it at her lower back. Officer DeRosier grabbed the suspects right arm and placed it at her lower back. I placed handcuffs on the suspects wrists. I checked the handcuffs for appropriate tightness and I double locked them. Officer DeRosier and I sat the suspect up so she could be in a seated position. I asked the suspect if she had any complained of pain and she said no. I stood by with the suspect until she was treated by medical staff. This concluded my involvement in the pursuit and the final crime scene.

INDIVIDUAL/S

REPORT NARRATIVE

On 04-01-21, at approximately 0018 hours, I was wearing full police uniform, driving a marked K9 vehicle and on patrol in City of Chula Vista, County of San Diego. I overheard Officer Derosier conduct a traffic stop in the area of Northwoods Dr and Proctor Valley Rd. The vehicle was blue Chrysler PT Cruiser with CA License Plates [redacted]. Officer Derosier advised the vehicle failed to stop for emergency lights and sirens and he was in pursuit of the vehicle. Officer Derosier advised the driver, later identified as Misty Steele, committed numerous moving vehicle code violations as she attempted to evade him, in violation of 2800.2 VC, a felony crime. I responded code 3 (lights and sirens) to Officer Derosier's location to assist.

Upon arriving on scene, the pursuit was driving southbound on Woods Drive near Sutter Ridge Way. As Steele approached the intersection, she stopped facing southbound and I initiated a high risk vehicle stop. Based on my training and experience, I know that suspects involved in vehicle pursuits and attempting to evade officers are often times involved in criminal activity more significant than a mere traffic violation. I exited my vehicle and pointed my department firearm at Steele and the passenger compartment of the vehicle. She was the only occupant inside. I ordered her to stop the vehicle and instead of complying, she started reaching around the passenger compartment of the vehicle, yelling inaudible words and then drove off again. I took the number one position in the pursuit and activated my overhead emergency lights and sirens. Officer Derosier and Officer Marquez were behind me and had their overhead emergency lights and sirens on as well.

Steele drove eastbound on Sutter Ridge Way and then northbound on Sutter Ridge Drive. As she approached the intersection, Steele failed to stop at the stop sign, in violation of 22450 VC. As she committed this violation, there were no attempts to slow down or verify the intersection was safe to enter. Steele was driving at varying speeds between 10 mph and 30 mph and as she did so, she swerved all over the roadway, almost colliding with numerous vehicles. Although the time of night was late, I observed several uninvolved people walking around and several vehicles traveling on the roadway. This area was a residential area and the maximum posted speed limit was 25 mph. Based on Steele's driving behavior, it was very clear that she posed a danger to the community and the general motoring public. I utilized my Public Announcement (PA) system and made numerous announcements to Steele to stop the vehicle or she would be bit by the police dog. Officer Lawrence advised that he called Steele, who was the registered owner of the vehicle. Officer Lawrence attempted to deescalate the situation and convince her to stop. He stated that Steele was rambling and said she was not driving the vehicle. Officer Lawrence advised that he could hear the police sirens in the background.

Steele drove northbound on Northwoods Drive and continued onto Agua Vista Drive. She drove around in circles, made a southbound turn on Agua Vista Drive and continued driving erratically. Steele was driving at approximately 35 mph and was driving on both sides of the roadway. As she continued southbound on Agua Vista Drive, an oncoming patrol vehicle swerved out of the way to avoid a collision. Steele drove westbound on Proctor Valley Road and failed to stop at the stop sign at Proctor Valley Road and Agua Vista Drive. Steele continued westbound on Proctor Valley Road and then northbound on the 125 Freeway. Throughout the pursuit on city streets, I made approximately 30 K9 announcements on my PA system, warning Steele to stop the vehicle or she would be bit by the police dog. I made those K9 announcements at varying points to ensure they were heard such as when she rolled down her windows or when she stopped and a high risk vehicle stop was initiated. Steele failed to comply with any of my orders or announcements.

Steele continued northbound on the 125 Freeway and exited on Jamacha Blvd. There, we drove in numerous directions throughout the residential neighborhoods in Spring Valley and Paradise Hills. On 4-1-21, at approximately 0100 hours, we were traveling eastbound on Division St approaching 61st St. I observed San Diego Police Department Sergeant Fitzgerald in position on the south curb line of the intersection in attempts to deploy spike strips to terminate the pursuit. Steele was swerving into both lanes of traffic at a slow speed with her driver door open. As Sergeant Fitzgerald was on the sidewalk, Steele closed the door, swerved, accelerated and drove directly in his direction. I observed Fitzgerald jump out of the way,

nearly being struck and attempt to deploy spike strips, which were unsuccessful. Based on my observations, I believed Steele had intentionally tried to strike Sergeant Fitzgerald with her vehicle, in violation of 245(c) PC, a felony. The vehicle continued throughout the neighborhood of Paradise Hills and into National City. During the pursuit, Steele threw numerous items out of the vehicle onto the roadway, at nearby parked cars, at pursuing officers' vehicle and in the direction of uninvolved citizens in the area. These items included papers, trash bags, backpacks, numerous empty glass bottles and other items. At various times, Steele would open both the driver door and front passenger doors while driving, nearly striking nearby parked vehicles. She occasionally would stop in the middle of the roadway and exit the driver's seat. When I would exit my vehicle to initiate a high-risk vehicle stop, Steele would throw items at me, get back into the vehicle and flee again. Due to the fluid and rapidly evolving situation, I was unclear as to what was thrown. Additionally, based on Steele's erratic and unpredictable behavior, [redacted]. Based on my training and experience, I know that people under the influence of controlled substances can be erratic and display violent behavior. These observations concerned me during the pursuit and I believed Steele would continue these behaviors and be violent towards uniformed officers or citizens within the community.

As we pursued Steele into National City, National City Police Department (NCPD) Officers deployed numerous spike strips, all successfully. Steele's vehicle tires were completely deflated and she continued to drive on her rims at varying speeds up to approximately 50 mph. As she did, she had very little control of her vehicle, drove without due regard and caused a hazard to the general motoring public. There were numerous vehicles traveling on the roadway through the business districts. Steele continued driving westbound through National City until she reached the 3700 block of Main St. At approximately 0140 hours, nearly an hour and a half after the initial traffic enforcement stop, Steele lost control of her vehicle and collided with the east curb line, disabling her vehicle. Steele exited her vehicle and as she did, I made a loud and clear announcement to get on the ground or she would be bit. Steele failed to comply with my warnings and continued northbound on Main St.

Prior to deploying my Police Services Dog (PSD), I took the following factors, circumstances and observations into consideration per the Chula Vista Police Department Policy and Procedures.

- Steele had committed a traffic violation and when a traffic stop was initiated, she fled from Officers Derosier and Marquez.
- During the pursuit, Steele drove through numerous red lights and stop signs at high rates of speeds on residential streets, with no due regard to public safety.
- Steele's driving actions amounted to a felony evading (2800.2 VC).
- Based on my training and experience, I know that suspects involved in high speed pursuits are often involved in criminal activity more significant than a mere traffic violation.
- During the pursuit, a SDPD Sergeant was in position to deploy spike strips to terminate the pursuit. When Steele saw this, she accelerated her speed, intentionally drove in his direction and attempted to strike him, but narrowly missed.
- Should Steele have collided with the SDPD Sergeant at the speed she was traveling, she would have caused life threatening, severe injuries or death.
- Steele displayed the willingness and capability to assault officers with a deadly weapon. Her actions amounted to an assault with a deadly weapon on a police officer (245(c) PC), utilizing her vehicle.
- Steele had thrown numerous items at pursuing Officers vehicles and their person. Some of the items, to include empty glass bottles, could have caused serious injury should they have made contact.
- Throughout the pursuit, Steele failed to comply with Officers orders and reached around the vehicle at will. It was unknown if she possessed any weapons or any items that could be used as weapons.
- Steele had not been searched.
- Based on her erratic and unpredictable behavior, I believed she was under the influence of a controlled substance. Based on my training and experience, I know that people under the influence of controlled substances can be erratic and display violent behavior.
- Using my Public Announcement (PA) system, I made no less than 30 K9 announcements for Steele to surrender peacefully and they were ignored. Numerous attempts at de-escalation were attempted and were ineffective.
- Steele had already proved her intent to avoid arrest by flight and violent resistance.
- The area where Steele crashed and began to flee was a densely populated area, consisting of various businesses and military installations. Her escape would have allowed her to commit further crimes and presented a clear danger to public safety and the community.

- Due to the rapidly evolving fluid situation, distance and Steele fleeing, less than lethal force options such as a collapsible baton, Oleoresin Capsicum Spray (OC) and a taser were not viable options.
- Without the use of a PSD, Steele had a likely chance to commit further crimes within the community.
- Based on all of these facts and potential hazards, we needed to affect the arrest immediately to prevent further crimes, injuries and potential life-threatening actions by Steele.

After Steele ignored my K9 warning as she exited the vehicle, I deployed my PSD and gave him the command to apprehend. Steele was walking away and stripping off her clothes. My PSD made contact with Steele on her left shoulder as Officer Derosier, Officer Marquez and I were approaching her. Due to the short distance between us and Steele and to gain control of her, I pushed Steele down to the ground. Steele turned towards us, yelled "Fuck you, fuck you, no" and swung her fists and arms. My PSD made contact with Steeles right thigh as I took control of her left arm to prevent her from striking us. Officer Derosier and Officer Marquez took control of her upper body to place her in handcuffs and she was still resisting our efforts. As Officer Derosier and Officer Marquez started to place Steele into handcuffs, I gave my PSD the command to release, which he did.

I immediately requested medical attention for Steele and I secured my PSD in my patrol vehicle. Medics arrived on scene shortly after and provided medical attention to Steele. AMR transported her to [redacted] for medical clearance. Officer Derosier rode with Steele and I followed. Once at the hospital, I conducted a pre-Miranda K9 interview with Steele. I asked if she heard my K9 announcements during the pursuit and she responded with, "I don't hear mortals." I asked if she heard my K9 announcements when she was stopped briefly during the pursuit and she said she did not speak to mortals. I asked if she heard any of my K9 announcements when she eventually stopped and she responded, "You are excused." Steele refused to answer any further questions.

[redacted]

I contacted SDPD Sergeant Fitzgerald and he gave me the following paraphrased statement. Sergeant Fitzgerald said he overheard, via police radio, CVPD units in pursuit throughout southeast San Diego. He heard the requests for spike strips and responded to our moving location to assist us. Sergeant Fitzgerald arrived on scene at 61st St and Division St with spike strips. As he was on the sidewalk, Sergeant Fitzgerald said she drove at him, so he took a couple steps out of the way and attempted to deploy strike strips, but Steele drove around him. Sergeant Fitzgerald believed she was intentionally trying to strike him to prevent the successful deployment of spike strips.

Lieutenant Oyos notified me that San Diego Sheriffs Department Air Support (ASTREA) sent video surveillance of the incident. I later retrieved the video and uploaded it to Evidence.com.

This concluded my involvement in this case. For further details, please see the attached case and supplemental reports. Officers activated their Body Worn Cameras during this incident, which were later uploaded to Evidence.com.
