1. Synopsis: Officer attempts to make a traffic stop on a vehicle for a violation of the vehicle code. Vehicle flees and is found in an alley. Officer exits his car and gives verbal commands to the occupants of the car. The vehicle suddenly accelerates backwards striking the officers car, and then accelerates at the officer who fires six shots at the car as it speeds towards him. The vehicle is found abandoned a short time later with the suspects phone and a loaded .22 handgun. Juvenile suspect is located nearby and arrested after a curbstone identification. Two other suspects are found and identified by the officer as being involved. These two suspects are later released per 849(b) PC.
2. Evidence - Please see attached supplemental report by Forensic Specialist Venn

3. Statements: On 09/06/12, at approximately midnight, I received a telephone call from Sgt. Kenny HEINZ (ID 628) of the Chula Vista Police Department, informing me that there had been an officer involved shooting in Chula Vista in which the Crimes of Violence team was needed to investigate this incident. I responded from my home and arrived at Chula Vista Police Department at approximately 12:45 a.m. on 09/07/12.

Sgt. HEINZ assigned me as the case agent and Detective Mike Varga (ID 772) as the Scene Agent. At approximately 0145 hours, the Crimes of Violence Unit, Forensic Specialist VENN, Lt. TURNER (ID 465) and Sgt. REDMOND (ID 586) of the Professional Standards Unit received a brief of what had occurred from Sgt. PENWELL (ID 714). This brief occurred in the alley east of the 300 block of Third Avenue to the rear of the 7-Eleven store located at the intersection of Third and "G" Street. It should be noted that this alley runs north/south and connects "G" Street to the area of Church Street in Chula Vista. It is a mix of business and multi-family residences.

Sgt. PENWELL briefed us on the facts as she knew them, showed us the position of items of evidence that had been located, as well as statements made by Officer GOSSETT (ID 626) and other officers who were involved in this incident.

At the conclusion of Sgt. PENWELL's brief, Officer BAYLESS (ID 1006) gave a short description of the suspects, including the individuals who had been detained. At the conclusion of this brief at approximately 0200 hours, we then drove to [redacted] "H" Street to the rear of the St. Rose of Lima church, where the suspect's vehicle, a white Nissan Altima ([redacted], had been found by Officer GARDEA (ID 1021). Officer DAVISON (ID 952) provided a brief on what had been located or seen in and around that white Nissan Altima.

CONFIDENTIAL
This case has been released by the Chula Vista Police Department pursuant to California Penal Code 1054.2. Subsequent distribution of information contained herein is restricted by section 1140-1144. Release of juvenile records is restricted by TNG vs. Superior Court.
Chula Vista Police Department

At the conclusion of that brief, I participated in a walk-through of the scene with the victim, Officer GOSSETT, Sgt. HEINZ, Detective VARGA, Sgt. Don REDMOND, and Officer GOSSETT's attorney. The walk-through began at 4:04 a.m. and ended at approximately 4:20 a.m. (For details of each of these individuals' observations, please see their supplemental case reports.)

Based on the information provided during those briefs, along with the walk-through with Officer GOSSETT, I learned that Officer GOSSETT had attempted to make a traffic stop on a white Nissan Altima in the area of Third and "G" Street in the city of Chula Vista. That vehicle had fled southbound

into the alley located south of "G" Street, Officer GOSSETT following with his red and blue lights on. The vehicle turned into a parking area where Officer GOSSETT pulled his vehicle behind it, got out of the car, and began giving voice commands to the driver and passengers.

Officer GOSSETT observed a Hispanic male juvenile, later identified as [redacted] stick his head out of the rear passenger window. The driver, later identified as Gerardo RODRIGUEZ-MEZA, put the car in reverse, making a sweeping U-turn towards the south. During the course of this U-turn, the white Nissan Altima RODRIGUEZ-MEZA was driving struck Officer GOSSETT's patrol vehicle. RODRIGUEZ-MEZA then put the car in drive, squealed his tires, and drove at Officer GOSSETT, who fired approximately six shots at the oncoming Nissan Altima. Officer GOSSETT ran to a place of safety being behind his rear bumper and towards an approximate ten-foot wall on the west side of the alleyway.

The white Nissan Altima swerved towards Officer GOSSETT's vehicle, striking it in the rear bumper area. Officer GOSSETT fired again at the Altima which sped northbound through the alleyway, turned westbound on "G" Street and was lost by Officer GOSSETT. That vehicle was later recovered to the rear of St. Rose of Lima Church, [redacted] "H" Street. That vehicle was taken to Chula Vista Police Department for processing.

I also learned that Officer GOSSETT had identified three individuals as being involved in the incident. [redacted] had been detained by Officer FISHER (ID 815) in the area of Second and Del Mar. Officer GOSSETT identified him as being the rear passenger during a curbstone lineup. (For further details of the identifications of the individuals, please see Sgt. NELLIS' [ID 466] report.)

Officer BRILES (ID 736), who had responded to the address of the registered owner of the Nissan Altima, being [redacted] Fourth Avenue in the city of Chula Vista, located a Hispanic male who was not wearing a shirt and had scratches on his chest. This individual matched the description provided by Officer GOSSETT to responding officers. Officer BRILES detained this individual later identified as [redacted] Officer GOSSETT identified [redacted] as being a passenger in the vehicle. (It should be noted that [redacted] was later determined not to have been in the vehicle and was released per 849(b) of the Penal Code.)

Officers responded to a call of a suspicious subject at the Jack In The Box located at the corner of Broadway and "H" Street in the city of Chula Vista. The manager told officers that a male, later identified as [redacted] had been asking the manager if the police helicopters had gone away. The manager thought this was very suspicious and called the police. [redacted] was detained at the Jack-In-The-Box and was later identified by Officer GOSSETT as [redacted] to be the driver of the white Nissan Altima that had attempted to run him over. [redacted] was arrested and transported to Chula Vista Police Department. (It should be noted that [redacted] was later determined not to be the driver of the vehicle and was released per 849(b) PC.)

As case agent it was my responsibility to assign tasks to each of the detectives. I asked Detectives CRUZ (ID 568) and MADDOX (ID 955) to interview witnesses who had been identified by Sgt. PENWELL

who lived in the 400 block of Church Avenue in the city of Chula Vista. (For further details of these witness statements, please see Detective CRUZ's supplemental report.)

I asked Detective ADKINS (ID 612) and Detective WINSLOW (ID 696) to interview the juvenile [redacted] (For further details of that interview please see Detective WINSLOW's supplemental report.)

Detective VARGA was assigned as the scene agent and remained at the scene along with Forensic Specialist VENN and patrol personnel. (For further details of Detective VARGA's observations, please see his scene report which is attached to this case report.)

I then responded to Chula Vista Police Department where I interviewed [redacted] I advised [redacted] of his Miranda Rights which he understood and waived. [redacted] stated that he was on parole and had been living at a Victory Outreach sobriety home and had "fucked up." I asked [redacted] what he meant by that. He told me he had gone under the bridge located on Broadway near the Walmart where he had smoked methamphetamine and had sex with a woman who lived in a green tent. He then wandered the streets of Chula Vista. He said he had gone to the Travelodge motel, Room [redacted] where he had taken a shower and had gone to the Jack-In-The-Box located at Broadway and "H" Street.

[redacted] said he was extremely paranoid and was upset at himself for having used methamphetamine. [redacted] was adamant that he was not involved in any way with the white Nissan Altima that had attempted to run over Officer GOSSETT.

Later in the morning on 09/06/12, Agt. ADKINS conducted follow-up related to [redacted] alibi, which he found to be true. [redacted] had entered the Jack-In-The-Box prior to the incident involving Officer GOSSETT. Based upon this new information, [redacted] was released per 849(b) PC.

Detective MADDOX and I then interviewed [redacted] who was the registered owner of the white Nissan Altima that had been used in the crime. [redacted] was adamant that he had loaned the vehicle to his brother and had been trying to get the vehicle back from his brother through the course of the day.

[redacted] said he worked at [redacted] and uses that vehicle to go back and forth to work. He had loaned it to his brother Gerardo RODRIGUEZ-MEZA in order for him to get to work. [redacted] stated that he had been sending text messages and calling his brother through the course of the day, demanding the return of his car. [redacted] was adamant that he was in no way related to the Nissan Altima during the incident involving Officer GOSSETT.

A later search of [redacted] phone pursuant to a telephonic search warrant obtained by Detective CRUZ found that, in fact, [redacted] had been attempting to recover his car and it was believed by detectives that he was not involved in this incident. [redacted] was later released per 849(b) PC.

Detective WINSLOW and Detective ADKINS told me that based upon their interview with [redacted] he had said that his brother Gerardo was the driver of the vehicle and that [redacted] who was also [redacted] brother, had been the front seat passenger. It should be noted that there was a 40-ounce beer bottle found in the white Nissan Altima at the time of its recovering, leaning against the passenger door. That piece of evidence did not match the description that a front seat passenger had fled the vehicle. If in fact that had occurred that glass bottle would have fallen at the time of the door being opened. [redacted] stated that he had been out with his brother Gerardo and the two had been [redacted] I am familiar with the term [redacted] based on my training and experience as a gang detective as the [redacted] I am also familiar with Gerardo RODRIGUEZ-MEZA being a [redacted] who is currently in [redacted] I am familiar with the violence between RODRIGUEZ-MEZA and the [redacted] including the shooting of [redacted] by [redacted] in the year 2009.

[redacted] It should be noted that a loaded .22 semi-automatic handgun was located under the floor mat of the driver's side of the Nissan Altima. There was a blue handkerchief covering a portion of the gun.

It should also be noted that a cellular telephone later found to be Gerardo RODRIGUEZ-MEZA's was in the center console of the vehicle attached to a phone charger. This phone was searched pursuant to a telephonic search warrant obtained by Detective CRUZ. In this phone there were several videos and photos of Gerardo RODRIGUEZ-MEZA throwing up [redacted] and showing off weapons. In some of the videos he is seen approaching individuals and [redacted] During the course of these videos, RODRIGUEZ-MEZA claims [redacted] Based upon my training and experience, I know that [redacted] It should further be noted that Gerardo RODRIGUEZ-MEZA bears a striking resemblance to [redacted] in their height, weight, and facial features.

Based upon the interview of [redacted] as well as the text messages between [redacted] (the registered owner of the vehicle) and the items of evidence found in the white Nissan Altima, I believe that Gerardo RODRIGUEZ-MEZA was, in fact, the driver of the vehicle that attempted to run over Officer GOSSETT in the alleyway to the east of Third and "G" Street.

Based upon that fact, I obtained an arrest warrant for Gerardo RODRIGUEZ-MEZA from the Honorable Judge ESPANA of the San Diego Superior Court. I asked Detective BENJAMIN (ID 706), who is a Chula Vista Police Department detective assigned to the San Diego Regional Fugitive Task Force, to assist in the location of RODRIGUEZ-MEZA.

On 09/12/12, at approximately 1800 hours, I received a telephone call from Detective BENJAMIN, who told me that Gerardo RODRIGUEZ-MEZA had been taken into custody in the Colton area of San Bernardino County. Gerardo RODRIGUEZ-MEZA had been found hiding in an apartment belonging to his cousin.

Detective BENJAMIN along with his U.S. Marshals partners transported RODRIGUEZ-MEZA to Chula Vista Police Department, arriving at approximately 2100 hours. I then conducted an interview with RODRIGUEZ-MEZA in the Chula Vista Police Department interview rooms. It should be noted that during the course of this interview, RODRIGUEZ-MEZA was not handcuffed. He was provided with water and bathroom breaks and told that if he needed a break or additional water to just ask.

I advised Gerardo RODRIGUEZ-MEZA of his Miranda Rights [redacted] The following will be a paraphrased summary of that interview. (For complete details of the statements made by Gerardo RODRIGUEZ-MEZA, please see the attached audio and video compact disk of that interview in its entirety.)

Statement of Gerardo RODRIGUEZ-MEZA:

I asked RODRIGUEZ-MEZA to tell me his side of the story after being advised of his Miranda Rights. RODRIGUEZ-MEZA told me that he had been driving his brother's white Nissan Altima. He had borrowed it to go to work at [redacted] where upon arriving at work he was told that they anticipated it to be slow and that he could take the day off.

RODRIGUEZ-MEZA said that he began drinking and had approximately one 40-ounce beer and one 32-ounce beer. He said at approximately 2:30 to 3:30 p.m. on 09/05/12, he had gone to his home at [redacted] Fourth Avenue to pick up his brother [redacted] RODRIGUEZ-MEZA felt that he had an individual whom he identified as [redacted] in his car. [redacted] has been identified as [redacted] who is a known [redacted]

RODRIGUEZ-MEZA said he picked up his brother [redacted] and also got the .22 caliber Luger handgun that was later recovered inside the Nissan Altima. The three of them then went to an unknown park in the Linda Vista area of San Diego where they "kicked it" and drank beer.

RODRIGUEZ-MEZA then drove to the area of [redacted] residence in the Spring Valley area of San Diego where they purchased more alcohol.

At approximately 10:30 or 11:00, RODRIGUEZ-MEZA and [redacted] left [redacted] residence. RODRIGUEZ-MEZA said he was driving the vehicle while [redacted] was asleep in the backseat. He said he used surface streets to drive back to Chula Vista. RODRIGUEZ-MEZA said that he was "faded" and was driving southbound on Third Avenue, when he made a westbound right turn onto "G" Street. He said he heard sirens and became very scared. RODRIGUEZ-MEZA then said he made a U-turn and went back eastbound on "G" Street towards Third Avenue, when he saw a police car (driven by Officer GOSSETT) make a U-turn and activate its overheard lights.

Chula Vista Police Department

RODRIGUEZ-MEZA said that he was very scared and panicked because he was drunk, did not have a driver's license, was driving his brother's car, and had a gun in the car. He said he panicked and

accelerated to approximately 30 miles per hour, making the right turn in the alley, where he felt he could get away. He then learned that he was "blocked off." RODRIGUEZ-MEZA said that he saw the police car pull behind him and heard Officer GOSSETT's voice commands telling him to "get out of the car." RODRIGUEZ-MEZA said he again panicked and put the car in reverse so he could "get away."

RODRIGUEZ-MEZA described the U-turn he made and said ultimately he came face-to-face with Officer GOSSETT. RODRIGUEZ-MEZA estimated that Officer GOSSETT was approximately 15-18 feet away in the alleyway. RODRIGUEZ-MEZA said he "threw the car in drive" and heard his tires begin to squeal and drove forward.

He said Officer GOSSETT then "started shooting." RODRIGUEZ-MEZA initially stated that Officer GOSSETT began shooting when he was making a U-turn. When questioned further about this, RODRIGUEZ-MEZA stated that when his tires screeched as he was going forward at Officer GOSSETT is when Officer GOSSETT began firing. RODRIGUEZ-MEZA estimated that Officer GOSSETT had fired approximately six shots.

I asked RODRIGUEZ-MEZA if he drove at Officer GOSSETT. RODRIGUEZ-MEZA stated that he did not drive specifically at Officer GOSSETT but he drove towards him as he was attempting to get away, Officer GOSSETT was standing in front of his vehicle with his weapon drawn.

RODRIGUEZ-MEZA said he could not hear any voice commands that Officer GOSSETT was giving him at this point. He said that as soon as the tires screeched, Officer GOSSETT began shooting. RODRIGUEZ-MEZA then ducked under the dashboard, driving without looking, driving at Officer GOSSETT. I asked if the area between the police car and the east wall of the alleyway was enough for his vehicle to pass through safely. RODRIGUEZ-MEZA replied, "If I was looking, yeah," which implied to me that RODRIGUEZ-MEZA was not looking at what was happening, was just driving with no regard to Officer GOSSETT being in front of him. RODRIGUEZ-MEZA was adamant that he had not intended to hit Officer GOSSETT but understood that Officer GOSSETT was probably in fear for his life. When I asked him that specific question, RODRIGUEZ-MEZA replied, "Yeah, probably so."

RODRIGUEZ-MEZA was sorry for what had happened and again stated that he was scared based upon him being drunk with a gun in the car and no driver's license, that he had just panicked and wanted to remove himself from the situation.

I asked him if he had just stopped and complied with Officer GOSSETT, would he be in this level of trouble. He stated that he would not have been. I asked RODRIGUEZ-MEZA why he had a gun in the car. He stated that he was "just not thinking" and blamed it on the alcohol that he had consumed. When the gun was discovered in RODRIGUEZ-MEZA's vehicle, it was found that there was one expended shell casing in the chamber.

I asked RODRIGUEZ-MEZA if he had been shooting the gun that night. He told me that he had not. He had tested the gun out approximately two weeks earlier, firing it. RODRIGUEZ-MEZA said he did not like that gun because it did not eject the spent cartridge or jammed when he fired it.

During the course of the interview, I asked RODRIGUEZ-MEZA if his brother [redacted] had touched the gun that was located in the car. He said that he didn't think so but "probably might have" while he was out purchasing beer.

RODRIGUEZ-MEZA and I spoke about the statements [redacted] made about he and Gerardo RODRIGUEZ-MEZA out hunting [redacted] that night. RODRIGUEZ-MEZA said that his brother is "not right in the head" and would make things up.

RODRIGUEZ-MEZA said that he was not specifically targeting any [redacted] that he was just drinking and "kicking it with the homeys." I asked RODRIGUEZ-MEZA about [redacted] He said that it is a [redacted] that is not affiliated with anyone else. I confronted him with the fact that he was shown in Facebook photos throwing up [redacted] along with known members of the [redacted] There were videos of him approaching individuals who he felt were involved with the [redacted] and locating items of evidence in the white Nissan Altima that had been tagged with [redacted] and the words [redacted] I am familiar with the term [redacted] as street slang as a disrespectful term for members of the [redacted]

RODRIGUEZ-MEZA stated that he does not like people from [redacted] as in the past there has been trouble between he and [redacted] RODRIGUEZ-MEZA went on to say that [redacted] had been a [redacted]

I also asked RODRIGUEZ-MEZA about several photos and videos which showed him with other guns including a rifle and a semi-automatic handgun in videos and photos located on his phone and Facebook account. RODRIGUEZ-MEZA said that he had sent the rifle and one of the handguns "south" to Tijuana because he wanted to "get rid of them." RODRIGUEZ-MEZA denied any payment for those guns.

Based on my training and experience as a gang detective, as well as a former narcotics detective, I know that guns are one of the most valuable commodities to a [redacted] These are not just "given away," they are typically sold or given to other [redacted] to further their criminal enterprise. However, I am familiar with [redacted] being tied to drug trafficking and guns can be used to negotiate debts or bartered for narcotics.

Near the end of the interview after RODRIGUEZ-MEZA took a bathroom break, I got him another bottle of water. I tried to summarize what had occurred during the course of the incident with Officer GOSSETT. That summary included the fact that Gerardo RODRIGUEZ-MEZA admitted that he was the driver of the white Nissan Altima which is registered to his brother that had almost struck Officer GOSSETT after Officer GOSSETT had tried to stop the vehicle for a traffic violation. RODRIGUEZ-

MEZA also admitted to driving that white Nissan Altima at Officer GOSSETT, causing him to fire at the vehicle as he was in fear for his life.

RODRIGUEZ-MEZA admitted to being the owner of the .22 caliber handgun which was found loaded in the driver's area of that white Nissan Altima after it had been abandoned to the rear of [redacted] "H" Street. RODRIGUEZ-MEZA also admitted that his brother [redacted] who is a minor was in the backseat of the car during the course of this entire incident in which RODRIGUEZ-MEZA was driving drunk.

During the course of the interview, RODRIGUEZ-MEZA appeared remorseful as to what had happened. He appeared to be trying to give as accurate of a description as he possibly could of the incident involving Officer GOSSETT.

Gerardo RODRIGUEZ-MEZA was then taken to the Chula Vista Police Department Forensic Unit, where he was photographed and fingerprinted and swabs of his DNA were taken. He was then later booked into county jail per his felony arrest warrant.

REPORT NARRATIVE

Supplemental Report - Evidence Report

I, Michael Varga # 772, am a detective with the Chula Vista Police Department, Criminal Investigations Division assigned to the Crimes of Violence Unit (COV). On 09-06-12 at approximately 0003 hours I received a phone call on my department issued cell phone from COV Agt. D. Beatty (ID# 625). Agt. Beatty advised that an officer involved shooting investigation was under way in the 400 block of the west alley way of Church Avenue, in Chula Vista, CA, 91910. Agt. Beatty requested that I respond to the Chula Vista Police Department for an information brief.

I arrived at CVPD at 0105 hours and met with other COV detectives and CVPD Forensic Evidence Specialist Tara Venn. I was assigned to be the lead detective for the crime scene(s).

At approximately 0140 hours, I along with other COV detectives and Forensic Evidence Specialists responded to the intersection of "G" Street and the 400 block of the west alley of Church Avenue. We received an information brief in the field from Chula Vista Police Sergeant C. Penwell # 714 and Officer C. Bayless # 1006. In summary, we were told that CVPD Officer G. Gossett # 626 attempted to stop a vehicle in the 400 block of the west alley of Church Avenue. The vehicle attempted strike Officer Gossett. In defense of his life, Officer Gossett fired several shots from his department issued weapon at the vehicle. The vehicle fled the scene but was located a few minutes later approximately one block away at [redacted] Alvarado Street, Chula Vista, by responding officers. (Initial briefing statements were audio recorded and retained as evidence. See evidence section of this report for further details.)

The responding officers gave initial statements as to what they observed and learned during the course of their initial response and investigation. (For further details refer to Detective D. Beatty's report.)

At approximately 0150 hours I along with other detectives entered the crime scene and conducted a walk through of the area of the 400 block of the west alley of Church Avenue.

The 400 block of the west alley of Church Avenue is a north south traveling roadway. The far north end of the alley intersects with "G" Street, which is an east west traveling street. The south end of the alley intersects with the 400 block of Church Avenue through an "L" shaped connecting corridor. Church Avenue is a north south traveling roadway which parallels the alley to the east.

The 400 block of the west alley of Church Street is a combined residential and commercial neighborhood. The east side of the alley contains the rear facing sides of both single family dwellings and multi-story apartment complexes. The west side of the alley contains the rear facing sides of commercial businesses to include a 7-Eleven convenience store ([redacted] Third Ave.), [redacted] Auto Mechanics ([redacted] Third Ave.), [redacted] Tax preparation office ([redacted] Third Ave.), and the [redacted] Laundry ([redacted] Third Ave).

CONFIDENTIAL
This case has been released by the Chula Vista Police Department pursuant to California Government Code 11075-11081 subsequent distribution of information contained is restricted by section 11140-11144. Release of juvenile records is prohibited by law.

When we arrived on scene it was still dark with security lighting illuminating the general area. One security light was located on the east side of the 400 block of the west alley of Church Avenue. This security light illuminated the general area of the intersection of the west alley of 400 Church Avenue and "G" Street. Three other security lights were located on the west side

of the alley, affixed to the rear of the 7-Eleven building, located at [redacted] Third Avenue, Chula Vista. The last street light was located on the west side of the alley to rear of the [redacted] Laundry, located at [redacted] Third Avenue, Chula Vista.

Upon walking south along the alley, I saw a Chula Vista Police Department Patrol Vehicle bearing identification number P42 and California exempt license plate number: [redacted] parked facing south west along the alley. The nose of the patrol vehicle was angled into the rear parking lot of [redacted] Third Avenue. The engine was running, the vehicle transmission was in park, the driver's side door was open, and overhead lights were activated.

Approximately three feet to the southeast of the front bumper of the patrol vehicle, I saw a detached vehicle bumper on the asphalt. The bumper was white in color and appeared to be heavily damaged. Upon closer inspection of the bumper, I saw what appeared to be a bullet hole in the lower portion of the front bumper. The bumper also bore two larger holes for what appeared to be mounting locations for running lights.

Approximately 12 feet to the southeast of the front bumper of the patrol vehicle, I saw a detached front plastic vehicle grill. The grill appeared to be gray and black in color and was damaged. The grill bore a "Nissan" emblem in the center.

Approximately one foot immediately to the south of the front bumper of the patrol vehicle I saw what appeared to be two broken running lights. The running lights corresponded in type and size of the two large holes described above in the detached white Nissan bumper.

To the west and southwest of the patrol car, approximately three to six feet from the passenger side of the vehicle I saw six 9mm shell casings spread out on the asphalt. These shell casings has been marked by white pieces of CVPD notebook paper identifying their location.

To the south of the patrol vehicle, I saw what appeared to be a vehicle impact marking on a cinderblock wall directly to the southeast of the coin operated laundry. The cinder block wall had what appeared to be fresh black scuff marks at bumper height and tire height levels. The scuff marks appeared to be fresh as they were much darker in color than any other marks on the cinder block wall and the block wall appeared to have been recently painted to cover graffiti.

Approximately two feet north of the cinder block wall and just north of the scuff marks on the wall, I saw a concrete parking barrier. The barrier had fresh scuff marks scratched and dug into the concrete. The marks appeared to have been caused by a vehicle driving over the barrier. The marks on the concrete parking barrier corresponded with the marks on the cinder block wall.

There were three vehicles parked along the east curb line of the alley, to the north of the patrol vehicle. These vehicles were parked to the rear of the apartment complexes identified as [redacted] and [redacted] Church Avenue. The vehicles are described as follows:

1. Green Ford F150 bearing California license plate number [redacted]
2. White Ford Mustang, bearing California license plate number [redacted]
3. Teal Green Plymouth Voyager bearing California license plate number [redacted]

After our initial walk through, I exited the crime scene at approximately 0220 hours. I along with other detectives and Forensic Evidence Specialists traveled to [redacted] Alvarado, Chula Vista, the location where the suspect's white Nissan Altima had been located.

At approximately 02300 hours I along with other detectives entered the second crime scene and conducted a walk through of the area of the [redacted] Alvarado Street, Chula Vista.

The 200 block of Alvarado is an east west traveling roadway. The east end of Alvarado intersects with 400 block of Second Avenue, which is a north south traveling street. The south end of Alvarado insects with the 400 block of Third Avenue, a north south traveling roadway.

The 200 block of Alvarado is primarily a residential neighborhood. However, the west end of [redacted] Alvarado contains two commercial businesses, a restaurant ([redacted] [redacted] Third Avenue) and a church/primary school (Saint Rose of Lima Catholic Parish, [redacted] Alvarado Street).

The suspect vehicle was located inside the parking lot of the Saint Rose of Lima Catholic Parish, [redacted] Alvarado Street. The parking lot of the Saint Rose of Lima Catholic Church was illuminated by multiple security lights affixed to the exteriors of the surrounding buildings. The parking lot is bordered by parish buildings on the east and west side. The north end of the parking lot opens onto [redacted] Alvarado. The south end of the parking lot opens onto [redacted] "H" Street.

Upon entering the parking lot from Alvarado Street, I immediately saw a white Nissan Altima, bearing California license plate [redacted] parked facing south bound in the lot. The vehicle was parked on the west side of the lot, along the eastern curb line of the building, adjacent to a red painted curb, marked as "Fire Lane No Stopping."

Upon walking around the vehicle, I saw that the front bumper was missing and that the vehicle had sustained moderate front end damage. Upon closer inspection of the vehicle, I saw what appeared to be four bullet holes in the following locations:

1. Front driver's side door;
2. Front driver's side quarter panel;
3. Front driver's side headlight;
4. Engine compartment hood, driver's side.

Upon looking at the windshield, I saw what appeared to be freshly chipped glass on the front windshield, directly in front of the driver's seat. I recognized the chip as fresh due to the small glass particles that were still readily visible around the exterior of the chip. The chip was circular in nature and appeared to have been made by a bullet strike.

The driver's side window was partially open. Upon looking through the open window, I saw a blue bandana on the floor board underneath the steering wheel. Next to the bandana, partially covered by the floor mat, I saw what appeared to be the trigger guard and grip of a handgun.

On the front passenger seat, between the door and seat, I saw a partially consumed 40 ounce bottle of beer. In the center console I saw a partially consumed bottle of water, a black cellular telephone and cell phone charger. On the back seat floor board, behind the driver's seat, I saw an empty bottle of water and what appeared to be black backpack or satchel.

I conducted a complete walk through of parking lot and surrounding areas in an attempt to locate any other items which may have been of evidentiary value. I did not locate any other items.

At approximately 0310 hours, I exited crime scene two. I along with other detectives returned to the initial crime scene at the 400 block of the west alley of Church Avenue. At approximately 0400 hours, Officer G. Gossett # 626 and his attorney met us at that location. Officer Gossett provided us with a narrated walkthrough of the events that occurred. For complete details please see Detective Beatty's complete crime report.

We completed the walkthrough with Officer Gossett at approximately 0420 hours. At approximately 0425 hours, Forensic Specialist Tara Venn and I returned to scene 2 at [redacted] Alvarado. We took photographs of the crime scene and the suspect's vehicle. Forensic Specialist Venn marked the vehicle with Evidence Marker # 1 and sealed the car with evidence tape. For complete details pertaining to evidence, to include exact item numbers and measurements, please refer to Evidence Technician Venn's Evidence Report.

At approximately 0500 hours, Patrol Officer M. Davison # 952 called for a flat bed tow truck. I had the suspect's vehicle impounded and taken to CVPD. Officer Davison escorted the vehicle to CVPD and ensured that it was placed securely into CVPD evidence bay # B.

At approximately 0520 hours, Evidence Technician Venn and I returned to Crime Scene 1 at the 400 block of the west alley of Church Avenue. Upon arrival, I was met by Agent R. Rea # 640 and Officer M. Salazar # 1031 from the CVPD Traffic

Investigations Unit. Agent Rea and Officer Salazar were called to conduct a traffic investigation and analysis of the collision between the suspect vehicle and the CVPD patrol car. Agent Rea and Officer Salazar were also present to utilize the Total Station Survey system to diagram the crime scene and accurately measure and plot all items of significance in the crime scene.

From 0530 to approximately 0545, I provided Agent Rea and Officer Salazar a walk through of the crime scene. For complete details regarding the traffic diagrams and measurements of items of significance located in the crime scene, please see the supplemental report and crime scene diagram completed by Officer Salazar.

From approximately 0545 hours to 0630 hours, Evidence Technician Venn and I photographed the crime scene. Utilizing evidence markers, Evidence Technician Venn marked all items of evidentiary value. Venn and I photographed all marked evidentiary items. Evidence Technician Venn documented and later collected all items of evidence.

At approximately 0630 hours, Traffic Sgt. Tarr # 409 and Traffic Officer M. Knapp 967 arrived on scene to assist with the operation of the total station survey equipment. I provided Sgt. Tarr and Officer Knapp with a walk through of the crime scene.

At approximately 0645 hours, I had Patrol Officer CJ Buroughs # 673 impound the CVPD patrol vehicle # 24. Officer Burroughs called for a flat bed tow truck and escorted the patrol to CVPD. Officer Burroughs ensured the vehicle was impounded into evidence bay # C at approximately 0705 hours.

Upon having the CVPD patrol vehicle moved, Evidence Technician Venn saw an expended projectile (bullet) on the asphalt, where the patrol vehicle had been parked. Venn marked the projectile as Evidence Item 14, photographed it, and later collected it.

On 09/06/2012 at approximately 0022 hours I was dispatched to the Jack In the Box restaurant on the 400 Block of Broadway in reference to a suspicious person who was seen in the lobby. The manager of Jack In the Box called to report that a Hispanic male with a shaved head and lots of tattoos was in the restaurant acting very odd almost like he was hiding from someone. The manager stated that the subject had been in the restaurant for about one hour.

I responded to the scene from the 300 block of Second Ave where I was looking for an outstanding suspect of an assualt on a Police Officer and thought that this suspect could be related to the assualt. As I approached the restaurant I looked inside and did not see the suspect described. I was advised by CVPD dispatch that the suspect, [redacted] was in the bathroom. I walked to the bathroom which was located in the rear, west end of the dining room and saw that the door lock said "occupied" I again confirmed with the manager that [redacted] was inside. I knocked on the door loudly and announced my self as Chula Vista Police and ordered the door to be opened.

After knocking three times I heard a voice from inside say "are you the police?". I again announced myself as a Police Officer and ordered [redacted] to open the door. [redacted] stated " if you are a Police officer, let me hear your radio". I again instructed [redacted] to open the door and told him that I use an ear piece with my radio so he could not hear it. I waited two more minutes and attempted to gain access to the bathroom using the key that the manager handed to my cover officer but the key did not work. After waiting 3 to 4 minutes, [redacted] finally exited the bathroom after flushing the toilet.

When he exited the bathroom, Officer Ross placed him into handcuffs until we could determine what he was doing in the restaurant. Officer Ross searched the bathroom for any evidence or items left behind by the suspect but did not locate anything. I verbally obtained [redacted] name and conducted a records check. When I asked [redacted] for his name he looked away from me and paused before telling me his name, when I asked him for his birth date he paused again and also looked away. He avoided eye contact with me which led me to believe that he may have been providing false information to me. [redacted] was upset that he was being detained and stated that he was had been at the restaurant with some "homegirls", I did not locate any companions.

Sgt. Nellis and Officer Gossett (victim) responded to the scene to determine if [redacted] had been involved in the assualt. I was informed that Officer Gossett identified [redacted] as the driver of the suspect vehicle that attempted to injure him. (Refer to Sgt. Nellis's supplemental report for further details)

REPORT NARRATIVE

Supplemental report by Agent Horst (651):

On 09-05-12 at approximately 2337 hours I was on patrol in full uniform in a marked police unit. I heard Officer Gossett (626) air over the radio he was just involved in a shooting with a vehicle. He stated he believed the vehicle was last seen driving east on H St. from 3rd Ave.

I responded code 3 with my lights and siren from the area of 3rd and K St. I arrived in the area of 3rd and H St. and began looking for the suspect vehicle. Officer Gossett described the car as a white 4-door sedan possibly a late model Nissan Maxima. He further stated he believed the vehicle would be missing its front bumper and could have been struck by gunfire.

I checked the area of the [redacted] block of H St. for the suspect vehicle. I was looking in the alleys and driveways to the apartments on the south side of [redacted] H St.

Within a few minutes of the original call I heard Officer Gardea (1021) advise over the radio she believed she had located the suspects vehicle in the parking lot for St. Rose of Lima Church. The church is located at the northeast corner of 3rd and H St. The church takes up all the property to the [redacted] block of Alvarado, which is north of H St.

I was directly across the street from the church and entered the church parking lot from H St. I observed officers near the driveway to the church, which was on Alvarado. I exited my patrol vehicle and observed a late model 4-door sedan white in color parked by its self near the parish office. It appeared no one was inside the vehicle.

I helped to set up crime scene tape around the vehicle and to secure the crime scene. I looked at the vehicle and could see what appeared to be four different bullet strikes to the car. One in the front drivers side head light. Another in the front drivers side fender. A third into the driver's side hood and one in the driver's side door.

I use my flashlight to look inside the car. On the driver's side floorboard, partial covered by the floor mat, I saw what appeared to be the butt of a handgun. I never entered the vehicle nor let anyone else enter the car. The car was never touched by myself or any other officers while I was at the scene. I did not locate nor speak to any witnesses for this event.

After establishing the crime scene, I released control of the crime scene to Officer Davison (952). I cleared the crime scene at approximately 0120 hours and returned to the station to complete this report.

End Of Report.

On 9-5-2012 at approximately 0005 hours I was assisting officers in the area search for two at large suspects who had been involved in an assault on a police officer. One of the suspects was described as a Hispanic male with short black hair wearing no shirt and blue jeans. Officers on scene advised the occupants of the vehicle had been involved in a vehicular collision.

While canvassing the area I heard radio dispatch advise the suspect vehicle, a white Nissan Maxima had been located near the crime scene. Officers on scene aired the license plate number for the vehicle. Responding to my inquiry radio dispatch advised me the vehicle was registered to [redacted] at [redacted] Fourth Ave, Chula Vista.

I responded to the address listed on the vehicle registration. While stopped in front of the residence with my vehicle blocking the number northbound lane I saw the suspect who later verbally identified himself as [redacted] walk out to the side yard of the house from the rear of the house.

I immediately noticed [redacted] was not wearing a shirt and had fresh scratches on the left side of his chest. The physical description of the suspect matched [redacted] I detained [redacted] on the side yard of his house. While waiting for cover officers to arrive [redacted] and I had a casual conversation. I noticed a moderate odor of alcoholic beverages emanating from [redacted] while we spoke.

[redacted] admitted he owned a white Nissan Altima. [redacted] claimed he had been home since 2100 hours. I asked [redacted] where his vehicle was. [redacted] said that he had lent his younger brother his vehicle to go to work. [redacted] identified Gerardo Ruiz as his younger brother and said he worked at the [redacted] restaurant in La Jolla. I asked [redacted] what shift Gerardo Worked. [redacted] said Gerardo Ruiz is a dishwasher for the evening shift and was scheduled to work from 2100 hours and 0200 hours. [redacted] had no reason to believe his brother would be any place other than work.

I heard Officer Fisher advise radio dispatch that he may have detained another possible suspect related to the assault on a police officer. Officer Fisher advised radio dispatch the detained suspect was named [redacted] and he claimed to live at [redacted] Fourth Ave. I asked [redacted] if he knew a person named [redacted]. [redacted] told me [redacted] was his 15-year-old brother who was supposed to be in the company of Gerardo Ruiz. I reminded [redacted] that Ruiz was supposed to be at work. [redacted] shrugged his shoulders and looked away without responding.

[redacted] wanted to know why I was detaining him. I explained the driver of the white Nissan Altima had been involved in an assault on a police officer and possibly a vehicular collision. I asked [redacted] if he thought Gerardo was the type of person who would likely be involved in those types of crimes. [redacted] shrugged his shoulders and a said "So can I get my car back?".

A curbside identification was conducted. Later, Sgt Nellis advised me to place [redacted] under arrest. [redacted] became angry and demanded to see the officer that was accusing him. I advised [redacted] that procedural we don't reveal witnesses involved in curbside identifications.

I arrested [redacted] and transported him to the Chula Vista Police Department. Once at the CVPD jail I was instructed by Sgt Heinz to obtain a blood sample from [redacted] Phlebotomist [redacted] responded and drew two vials of blood at 0144 hours. During my processing of [redacted] I inspected the cellular phone belonging to [redacted] I turned the phone on and slid the unlock key to reveal the displayed running application was "5-0 radio" monitoring Chula Vista Police Radio. I later advised the detectives involved in the case of my discovery regarding the cellular telephone.

I later logged the two vials of blood in to the Chula Vista Property room refrigerator as evidence under Tag number D21119.

REPORT NARRATIVE

On 09-05-12 at approximately 2337 hours I heard a radio transmission from Officer Gossett stating a vehicle had struck his vehicle and shots were fired. The suspects were now driving away from the scene. I drove from [redacted] E Street to the east alley of [redacted] Third Ave for this radio call.

I arrived and saw Officer Gossett standing by the driver side of his vehicle. Lt. Sallee and Sgt. Penwell were also present about this exact time. Lt. Sallee asked me to take care of Officer Gossett and for Sgt. Penwell to handle the scene.

I asked Officer Gossett what happened. Officer Gossett said the suspect vehicle intentionally struck his police vehicle and almost struck him. Officer Gossett said he fired his weapon at the suspects who fled the scene. I asked Officer Gossett to show me what direction he shot his weapon, how many rounds he fired and what else he could relate about the suspects as far as being injured, if he knew anything at all.

Officer Gossett said he believed he fired 4 to 5 rounds pointing in a southeast direct in the alley. The backdrop of this location was a couple of parked cars and a high fence. Officer Gossett said he thinks he struck the vehicle every time to include the windshield and driver door. The suspect vehicle fled north out of the alley with possibly four people inside. Officer Gossett does not know if any of his rounds hit the occupants of this vehicle. This information was shared in front of Sgt. Penwell and Lt. Sallee.

As Officer Gossett and I arrived he stated the person detained (later identified as [redacted] looked like the rear passenger in the vehicle especially when wearing the baseball hat he was wearing. Supplemental Report by Officer R Naranjo, #998.

On Thursday September 6, 2012 at about 0155 hours, I responded to the area of Third Avenue and G Street to assist Officer C Bayless, #1006 on an 'Officer Involved Shooting' crime scene. On arrival, Officer Bayless was in the process of briefing several CVPD Detectives regarding the incident. All investigators were standing outside the crime scene.

The crime scene is on the East alley of the 400 block of Third Avenue. Inside the crime scene, I saw a CVPD patrol vehicle #24. The patrol vehicle was parked facing south about 40 yards from the mouth of the alley at G Street. I saw that patrol vehicle #24 had its overhead lights on and the driver's door wide open. I took a closer look from the outside perimeter and saw a white plastic bumper cover a foot or two away from the open driver's door.

REPORT NARRATIVE

Supplemental by Officer J. Vicente

On 9/5/12 at approximately 2337 hours, I responded to the area of Third Ave. and H St. reference a code 3 cover response by Officer G. Gossett. Officer Gossett advised that shots were fired and that the suspect vehicle was a white vehicle last seen possibly eastbound on H St.

I responded from the 1000 block of Olympic Parkway and got to the area of Third Ave. and H St. and was unable to locate the vehicle. I began to drive down the 200 block of Alvarado St. In front of me was Officer R. Gardea who then advised over the radio that she located the suspect vehicle in the lot of the Saint Rose of Lima parking lot. I looked to my right and saw the vehicle and immediately pulled over and deployed my patrol rifle.

Officers made the approach on the vehicle, which eventually turned out to be unoccupied. Officers advised that inside the vehicle was a handgun and that the outstanding suspects may possibly still be armed.

I checked the area with Officer Gardea and Officer Davison and located two possible suspects behind the KFC located at Third Ave. and Alvarado St. Officer Gossett later arrived to our location and could not possibly identify the two individuals.

Several witnesses were also located near the KFC. I spoke to a male, [redacted]

REPORT NARRATIVE

On 09/06/12 at approximately 0000 hours I was called in to work to assist with an Officer Involved Shooting incident. I was assigned to interview a suspect, later identified as [redacted] Sgt. Heinz advised me [redacted] had been identified as a passenger in the suspect vehicle that had been used to assault Ofc. Gossett (victim).

Det. Adkins and I responded to the police department and interviewed [redacted] I admonished [redacted] per PD Form 700. He stated he understood his rights and agreed to speak with us. The interview was recorded and later logged into evidence by Det. Varga.

During the interview [redacted] stalled our investigation techniques by providing apparent fraudulent information and partial truthful information and claiming a hearing handicap that made it difficult for him to understand our questions. He repeatedly talked in circles but without providing details or relevant information. When he would mention one name of an associate he would change it around and talk about another person. He claimed to be hard of hearing and used hearing aids, but did not have one on him.

The following is a paraphrased statement from [redacted] as it pertains to the assault on Ofc. Gossett:

His brother, [redacted] lent his car to their other brother, Gerardo Rodriguez. [redacted] Gerardo and Gerardo's friend, [redacted] were driving around in the car. Gerardo was driving. [redacted] was in the front passenger seat. [redacted] was in the back seat. Gerardo had a "piece" (gun) next to him by the driver's door. They were cruising around with the gun in case they saw [redacted] shot [redacted] on accident while trying to shoot Gerardo a couple of years ago (2009). Gerardo was previously an [redacted]

While Gerardo was driving they saw the police (Ofc. Gossett). Gerardo didn't want to get stopped because they had a gun in the car. [redacted] knew there was a gun in the car because Gerardo had him hold it at one point earlier in the evening. Gerardo tried to get away from Ofc. Gossett by driving down an alley. Gerardo tried to turn but Ofc. Gossett pulled in behind them. [redacted] knew it was the police because he saw the red and blue lights on Ofc. Gossett's car. He saw Ofc. Gossett standing outside of the police car. He saw Ofc. Gossett pointing his gun towards their car. He heard Ofc. Gossett giving commands "Pull over", "Stay there", "Get out with hands up" and "Freeze".

Gerardo drove backwards fast to get out of there. [redacted] heard Ofc. Gossett shoot at them a couple of times as Gerardo drove backwards. He heard Ofc. Gossett shoot at them a couple of more times as Gerardo drove out of the alley. [redacted] did not think Gerardo was trying to hit Ofc. Gossett. He claimed to have not felt any collision with Ofc. Gossett's police car. He claimed when the shooting started he leaned over in the seat and didn't see anything.

Gerardo drove away and they all got out and ran in different directions. [redacted] claimed they all ran because they know when there is a gun in a car they all get in trouble for it until police decide who really had it.

Det. Adkins and I attempted to sort through [redacted] initial varied statements. [redacted] eventually stated that he, Gerardo Rodriguez and [redacted] were the only ones in the car during the shooting. He insisted throughout almost the entire interview that his brother, [redacted] was not involved in any way and was never in the car.

It appeared the only time [redacted] changed his statement about [redacted] being in the car instead of [redacted] during the shooting was towards the end of the interview. It also appeared to be when Det. Adkins and I suggested [redacted] admitted to

being there so that [redacted] wouldn't get in trouble for the gun. [redacted] appeared confused about [redacted] statement and appeared to reluctantly agree to our scenario of [redacted] being present in an effort to support [redacted]

REPORT NARRATIVE

On 09-05-12 I was working as a Patrol Supervisor in full uniform and driving a marked patrol unit. I was parked in the in the 200 Block of E Street when Officer Gossett requested code three cover at the intersection of 3rd Ave. and H Street. I responded from the location. As I reached the intersection of 3rd and G Street Officer Gossett was now requesting a supervisor in the alley behind the 7-11 store at 3rd. and G Street. I drove to this location and when I arrived I saw Officer Gossett by himself standing next to his patrol car. I asked him if he was injured and he said no.

I asked him what happened and he told me the following. He said he tried to stop a vehicle in the alley where his patrol vehicle located. As he attempted to make the stop the vehicle hit a retaining wall and then made a u-turn ramming the front of his patrol vehicle. As the his vehicle was being hit he said he fired his weapon at the vehicle as it fled the area. He said he fired four to five rounds in a south east direction. At Lt. Sallee direction Sgt. Nellis arrived and stayed with Officer Gossett for the duration of the Investigation. Once Officer Gossett left the scene Sgt. Penwell and I checked the scene to try and locate the fired rounds. We were not able to locate any. We secured the scene with crime scene tape until Crimes Of Violence Unit arrived.

I spoke to [redacted] who lives at [redacted] Church St. [redacted]

I left the secured crime scene at 0100 hours.

REPORT NARRATIVE

SERGEANT C. PENWELL-SUPPLEMENTAL REPORT

On 09-05-12 at approximately 2337 hours, I was on patrol in the area of [redacted] L Street when I heard Officer Gossett (#626) request the air for emergency traffic and ask for an emergency response to his location at 3rd Avenue and H Street. Officer Gossett advised he had just attempted to stop a vehicle but the vehicle had rammed his patrol vehicle and tired to run him over. Officer Gossett further advised he had fired his weapon at the vehicle as it tried to run him over. He said he had last seen the suspect vehicle, described as a white Nissan Maxima, in the area of 3rd Ave and H Street.

As I was responding to the area of 3rd and H Street Officer Gossett updated his location to "in front of La Bellas," which is located in the 300 block of Third Avenue. He was later located in north/south alley in the 200 block of G Street just south of the south entrance of the La Bellas.

I arrived at the same time as Sergeant Nellis (#466) and Lieutenant Salle (#566). We walked into the alley on foot from G Street. Officer Gossett's vehicle was located half way down on the west side of the alley. The front of Officer Gossett's vehicle was pointing in a southwest direction. His emergency lights were on and his driver's door was open. There was a white and black front bumper and other debris from another vehicle to the front left of his vehicle. there was also fresh damage to the front bumper of Officer Gossett's patrol vehicle.

I used crime tape to tape off the north entrance of the alley so no vehicles or pedestrians could enter the crime scene from that end. Officer Bayless (#1006) taped off the south end of the alley.

This case has been released to the Chula Vista Police Department pursuant to California Penal Code section 1054.2 subject to restrictions imposed by section 1054.8. Unauthorized distribution of information contained herein may be punishable by Contempt of Court. Welfare and Institutions Code section 827 restricts the release of juvenile records in Chula Vista Superior Court.

I observed Sergeant Fobes (#332) ask Officer Gossett where he was standing and which direction he thought his shots had gone in. Officer Gossett stepped in front of his open door so he was positioned next to the front driver's side wheel of the vehicle. He then held his hands up in front of him as if he was holding his weapon. He indicated and stated he fired in a southern or slightly southeasterly direction. He thought he had fired four to five shots at the vehicle.

I walked down the east side and back up the west side of the alley looking for any indication the projectiles fired by Officer Gossett had struck anything. I did not locate any damage in the alley to suggest the projectiles had struck anything. As I was walkng through the alley a female looking out a second story window on the west side of the alley [redacted] asked if the officer was okay. I told her Officer Gossett was okay and asked if she had seen anything. The female, now identified to me as [redacted]

I then turned around to see a male looking out a second story window on the east side of the alley [redacted]

As I walked back toward Officer Gossett's vehicle I observed another female in second floor window north of [redacted]

I walked back toward Officer Gossett's vehicle and saw a male standing outside the tape at the north end of the alley. This gentleman identified himself as [redacted]

I walked back to Officer Gossett's vehicle and around to the front right (west) of the vehicle. At that time, Sergeant Fobes and I found six shot casings on the ground. As I continued to walk around the vehicle I found a projectile just outside the open driver's door. It was on the ground in between the open door and the seat of the vehicle. I did not see any damage to the interior of the vehicle or the vehicle's door indicating it had struck any surface of the vehicle.

I then stayed at the scene until the Crimes of Violence and crime lab personnel arrived. I briefed those in attendance as to the information I had regarding the crime scene and witnesses I had contacted. Officer Bayless was also with me at this time. He briefed COV as to the information he had regarding the where the suspect vehicle had been found a couple blocks away. For further details regarding the location of the suspect vehicle please see Officer Gardea's (#1021) and Agent Horst's (#651) supplemental reports. I then cleared the crime scene. END.

REPORT NARRATIVE

Report created by Sergeant Kenny Heinz #628 - Sgt. of the Crimes of Violence Unit.

On 9-5-2012, at about 1159 hours, I was contacted at my home by Lt. Sallee and advised of an assault on Officer G. Gossett #626. During the assault, Officer Gossett fired his weapon at the driver of a vehicle. Lt. Sallee requested I activate the Crimes of Violence Unit to investigate the incident. The CVPD Crimes of Violence Unit responded and met in the 200 block of G Street for a briefing. The initial brief was from Sgt. C. Penwell at about 0140 hours on 9-6-2012. During the brief, information was relayed that Officer Gossett attempted to stop a vehicle near the intersection of Third Avenue and G Street. The vehicle attempted to evade by driving south in the alley off of G Street just east of Third Avenue. The vehicle was described as a white Nissan and ended up striking a concrete wall near the south end of the alley. After Officer Gossett exited his patrol vehicle, the Nissan accelerated in reverse and struck Officer Gossett's patrol car. The driver of the Nissan made a u-turn and attempted to strike Officer Gossett with the vehicle. Officer Gossett fired multiple shots at the driver of the vehicle. The vehicle fled the scene and was later found abandoned near the 200 block of Alvarado. The white Nissan had moderate front-end damage and numerous bullet holes near the front left portion of the vehicle. The white Nissan was later identified by Officer Gossett as the vehicle used to assault him in the alley off of G Street.

Shortly after the incident, patrol officers contacted and detained numerous individuals possibly related to the incident. Three people were eventually arrested and transported to the Chula Vista Police Department for processing and interviews. They were later identified as [redacted] and [redacted]. Members of the Crimes of Violence Unit were briefed regarding case assignments. Agent Beatty was assigned as the lead investigator and Agent Varga was assigned as the [illegible] scene investigator. All other investigators were assigned as support and I was responsible for the interview with Officer Gossett. For further information, see reports by other investigators and officers.

On 9-6-2012, at about 0330 hours, I met with Officer Gossett at the Chula Vista Police Department. Present with Officer Gossett was Attorney Charles B. Walker. Officer Gossett advised he would give a voluntary statement and cooperate with our investigation. At about 0400 hours, we met back in the 200 Block of G Street to conduct a preliminary tour of the initial crime scene with Officer Gossett. The persons involved in the initial scene walk through were Officer Gossett, Attorney Charles Walker, Sergeant Kenny Heinz, Agent David Beatty, Agent Michael Varga, Sergeant Don Redmond and Forensic Specialist Tara Venn. The walk through lasted approximately fourteen minutes, ending at about 0418 hours. The preliminary tour of the

scene was audio recorded and later transferred to a disc. The disc was turned over to Agent M. Varga to be placed into evidence.

On 9-6-2012, at about 0450 hours, I met Officer Gossett back at CVPD to conduct the formal interview regarding the incident. The interview was conducted in room #7 on the second floor of the Criminal Investigative Division. Present for the interview were Officer Glenn Gossett, Sergeant Kenny Heinz and Attorney Charles Walker. The interview was audio recorded and later transferred to a disc. The disc was later given to Agent Michael Varga to be placed into evidence.

Prior to asking any questions, I again confirmed with Officer Gossett that he was providing a voluntary statement. I explained he was free to leave at anytime, stop the interview or take any breaks as needed. Officer Gossett stated he understood. I asked Officer Gossett to give a detailed description as to what happened regarding the incident in the alley. The following is a paraphrased statement. For further information and exact statements, please refer to audiotape of the interview.

On 9-5-2012, at about 2335 hours, Officer Gossett was in full uniform and driving a Chula Vista Police Department marked police unit (P-24). Officer Gossett was a single person patrol unit for the shift and was driving west on G Street approaching Third Avenue. As Officer Gossett approached the intersection, he noticed he had the red light to stop at the intersection. Officer Gossett noticed he was going to be the first car at the limit line while at the red light . Officer Gossett saw a white Nissan driving south on Third Avenue approaching the intersection of Third Avenue and G Street. Officer Gossett had not reached the limit line yet and believed the white Nissan did not notice the marked police vehicle. The driver of the white Nissan turned west from Third Avenue onto G Street at a high rate of speed. The Nissan swerved into the eastbound lane of G Street and continue west in the 300 block of G Street. Officer Gossett believed the Nissan had to go into the oncoming traffic lane due to excessive speed for the turn. The vehicle swerved back into the proper lane and continued west on G Street. Officer Gossett thought the vehicle might have been used to commit a recent crime such as a robbery and started to consider a traffic stop.

As Officer Gossett looked to see if he could clear the intersection to catch up to the Nissan, the vehicle slowed, turned to the south and stopped. The Nissan blocked both lanes of traffic and remained in that position for about fifteen seconds. The Nissan backed up and turned back facing east on G Street. Officer Gossett was still stopped at the red light at the limit line facing west. The Nissan started to drive east on G Street back to the intersection of Third Avenue. As the Nissan approached the intersection, Officer Gossett noticed it was in the middle of the road and not in the designated right hand portion of the lane. The Nissan was traveling in both lanes by driving down the middle of the street. The Nissan corrected its position as it neared the red light. As the Nissan was stopped at the limit line across from his position, Officer Gossett noticed the vehicle did not have a front plate. Officer Gossett considered the driver of the Nissan might have also been under the influence due to the erratic driving. Officer Gossett waited for the light to turn green to effect a traffic stop on the vehicle. The light turned green for east and west traffic and Officer Gossett waited to see what the Nissan was going to do. The Nissan continued east towards Officer Gossett's location. Officer Gossett waited for the Nissan to pass so he could make a u-turn and conduct the traffic stop.

The Nissan passed Officer Gossett at about ten to fifteen miles per hour and Officer Gossett tried to get a look at the driver and occupants of the car. The Nissan's windows were up allowing Officer Gossett to only see silhouettes. Officer Gossett knew the Nissan contained multiple occupants. As Officer Gossett made the u-turn, he saw the Nissan accelerate quickly. Officer Gossett could see the back end of the Nissan sink down as an indicator of acceleration. Officer Gossett immediately believed the Nissan was trying to evade him due to the u-turn and expected police contact. As Officer Gossett finished his u-turn, he saw the Nissan turn south into the alley just east of the 7 eleven store. As Officer Gossett turned into the alley, he saw the taillights continuing south down the alley. Officer Gossett gave chase and saw the Nissan abruptly turn to the right. The Nissan entered a parking lot causing Officer Gossett to lose sight of the car for about one to two seconds. As Officer Gossett approached the parking lot off of the alley, he resumed visual contact and saw the Nissan drive towards a concrete wall. The left front portion of the Nissan hit the concrete wall at an angle and the Nissan stopped. Officer Gossett pulled his police vehicle directly behind the Nissan but left a car length or so for safety purposes. The front bumper of Officer Gossett's patrol vehicle faced the rear bumper of the Nissan. Officer Gossett anticipated the occupants of the vehicle were going to jump out and run. Officer Gossett could not remember if he had activated the overhead red and blue police lights, but believed the occupants recognized him as the police due to the visual contact at the intersection and the attempt to evade

during the u-turn. Witnesses later confirmed Officer Gossett had in fact activated his red and blue lights and yelled numerous commands to the occupants of the Nissan.

As Officer Gossett anticipated the occupants to exit the Nissan, he exited his patrol vehicle and prepared to give chase if necessary. At that point, Officer Gossett had not drawn his service weapon. Officer Gossett stepped around the corner of the driver's door of the police unit to get a better view of the Nissan and possible occupants. As he did so, Officer Gossett saw a young Hispanic male stick his head out of the right rear window of the Nissan. The young Hispanic male turned his head and looked directly at Officer Gossett. The young male was later identified as [redacted] Officer Gossett gave numerous verbal commands of "police, stop and turn the car off." Officer Gossett described yelling numerous commands at the occupants of the Nissan. As Officer Gossett was watching [redacted] he heard the Nissan's engine begin to rev numerous times at a high rate. Officer Gossett believed the Nissan was going to reverse at a high rate of speed and possibly strike him while next to his patrol vehicle. Officer Gossett drew his service weapon and started to back up to gain distance from the Nissan. The Nissan revved again and started to quickly reverse. Officer Gossett continued to back up to keep from getting hit. The Nissan backed up at a high rate of speed and attempted to make a u-turn in front of the patrol vehicle. The front end of the Nissan struck the patrol vehicle as the driver quickly spun the Nissan around. The collision ripped off the front bumper of the Nissan causing moderate damage.

The Nissan backed up and faced north in the alley directly facing Officer Gossett. Officer Gossett recognized the alley buildings and noticed he had no cover available if the Nissan advanced towards his location. The Nissan revved again and accelerated directly at Officer Gossett. Officer Gossett knew he had nowhere to gain protective cover from the vehicle believed the driver was going to run him over. Officer Gossett fired approximately two to three shots at the driver of the Nissan. As he shot, Officer Gossett continued to back up and hoped the Nissan would stop. Officer Gossett remembered seeing numerous plants and items of debris in the alley as he drove after the Nissan. Officer Gossett was afraid he was going to trip over such items and fall to the ground. If he fell, the Nissan would have been able to easily run him over.

As Officer Gossett continued to back up, he started to move to his right towards a concrete wall. The Nissan continued to advance at a high rate of speed and turned again directly towards Officer Gossett. This time the Nissan struck the left rear portion of Officer Gossett's patrol vehicle with its left front driver's side. Officer Gossett believed the Nissan was again turned directly at him and he again fired his weapon at the driver to stop the threat. Officer Gossett estimated another two shots towards the driver. Officer Gossett described the Nissan as coming at him and trying to purposely hit him. Officer Gossett stated the Nissan had plenty of room to pass the patrol car north through the alley. The driver did not drive straight, but instead turned the Nissan directly at him trying to strike him with the car.

The Nissan continued north to G Street and turned west towards Third Avenue. Officer Gossett did not recognize the threat had diminished until the Nissan turned west from the alley. Officer Gossett aired the incident and the officer involved shooting on the radio and entered his patrol vehicle to give chase. Officer Gossett gave a description of the vehicle to responding units and attempted to locate the Nissan. Officer Gossett could not locate the Nissan and drove back to the alley to preserve the initial crime scene. Officer Gossett parked the patrol vehicle as close as he could recall from the initial incident. Sgt. Nellis arrived on scene to assist Officer Gossett.

Officer Gossett had nothing further to add regarding the incident in the alley.

I briefly spoke with Officer Gossett regarding the three individuals arrested by patrol for possibly being involved in this incident. During the search by patrol officers, the Nissan was located in a church parking lot off of Alvarado. Earlier in the evening, Officer Gossett responded to the church and identified the Nissan Altima as the vehicle from the incident in the alley.

Officer Fisher detained [redacted] near the intersection of Del Mar Avenue and Third Avenue as he was fleeing the scene. Officer Gossett responded and positively identified [redacted] as the young male who looked directly at him from the Nissan. [redacted] was arrested and taken to CVPD for processing. During his post Miranda interview, [redacted] admitted to being in the Nissan during the incident. [redacted] also admitted his brother Gerardo Rodriguez-Meza was the driver and knowing a loaded gun was in the Nissan. [redacted] stated Gerardo was responsible for the gun and they were looking for [redacted] to shoot just prior to the contact with Officer Gossett. For details of the interview, see report by Agent Winslow.

[redacted] was detained outside his residence and later arrested. [redacted] is the brother of [redacted] and the registered owner of the Nissan. Officer Gossett identified him as a possible occupant of the Nissan during a curbstone. During my interview with Officer Gossett, he recanted and stated he could not confidently identify [redacted] as an occupant of the Nissan. [redacted] was released from CVPD with no charges pending.

Victor Allen was detained by officers at the Jack N the Box restaurant in the 400 block of Broadway Avenue. An employee called dispatch regarding a suspicious person asking questions about the police in the area. When police tried to contact [redacted] he tried to hide in the bathroom. [redacted] was detained and Officer Gossett identified [redacted] as the driver of the Nissan.
